Jesting at Scars

In a short
fling into
nudism, I

caught my
prick in

the screen-
door. Doc

fixed it.
A stitch in

time, he re-
marked. His

nurse report-
ing nursery
play below:

"Little birds
have big
mouths!"

"In a month
the women bet-
ter look out!"

the drug drum-
mer wisecracks

as we await
the elevator.

Hey! why not
put it on Eye
Witness News?
I return.

"This too shall
pass," he assures
as we descend.

For I had, too, descended,
into the hell of proverbs.
